Boozhoo!

Welcome to Caldwell First Nation's Newsletter, where you get up-to-date news, stories, and information relative to our Nation. We think you will like this new approach in information-sharing and invite you to let us know what you think. If you have information to share or suggestions to make for how we can improve our communication to our members, please drop us a line!

Be sure to read right to the end of the newsletter... you don't want to miss what's new in the Council Corner!

Ogiichi Da Kwe's Message

(Chief's Message)

Boozhoo everyone,

Council would like to invite everyone to participate in the newsletter that is being created by Nikki Orosz, Policy Analyst/Communications Officer. It is a priority for the elected council to ensure that all members have equal access to information that is being shared with the membership. Council

has met and set dates for the coming year and this will give everyone an opportunity to plan. We will also be reaching out to you, our citizens, to sit on

various committees to help us in planning. When you see postings seeking committee members, please don't be shy; sign up. In the coming weeks we will be reaching out to our Elders for the creation of an Elders Council and to our youth for the creation of a Youth Council. Our time is now. We must come together and support each other as there are still forces at work to end our Indigenous ways; forces who see us as a dollar symbol instead of a strong and great people who fished the lakes and hunted the land. We want to wake up the voices of our Elders so that we may hear our stories and most of all we want to bring home the children to our Nation who are in foster care. We are reclaiming our language and will be seeking members who are interested in learning. We are reclaiming our land and, as it has been said, "there can be no reconciliation without land." We are here to serve our Nation. Please help us to do this by coming out to our planned events. Hope to see everyone soon!

Ogiichi Da Kwe
